

Front row sets

Seen from our side of the net. The setter stands right of the middle; each line shows where the ball lands and how high it goes.

Left side (zone 4)

- 1** High ball to the left antenna (zone 4). Most time for the attacker.
- 0** Lower, faster ball to the left antenna.
- 2** Medium-fast ball landing about 1.5 m inside the left antenna.

Middle (zone 3), in front of the setter

- Shoot** Flat, fast ball between zone 4 and the middle.
- 4** Higher ball just in front of the setter. More time for the middle.
- Po** Low quick just in front of the setter.

Behind the setter / right side (zone 2)

- Til** Short quick just behind the setter.
- 7** Lower, faster back set to the right antenna.
- 6** High back set to the right antenna (zone 2).
